Buckley's Mountainside Canoes is excited for another great year of canoeing and kayaking on the Chippewa River. We rent only the finest canoes and kayaks and our experienced staff will help make your trip an experience everyone will enjoy. We are located directly on the Chippewa River allowing you to start or finish conveniently at your car. We are also open late in the summer (6:45 weekends, 5:45 weekdays) so you can start trips later in the day.

Reservations can be made at 989 772-5437 or right here on the [reservation page](#) of this website. We look forward to seeing you on the beautiful Chippewa River!
